REPORT FOR 1938.

THE Finances of the Hospital have caused the Committee much anxiety during the year. The expense of keeping the Hospital up to date and the increasing cost of running it efficiently are of urgent concern to all who take an interest in the work. The Committee would therefore be grateful to receive the names and gifts of new Subscribers, and to receive donations from other sources.

It is with much regret that the Committee report the loss by death of three who have been connected with the Hospital for many years. Mrs. G. Herbert Morrell, C.B.E., was one of the original founders of the Hospital with her Husband, and took a great interest in all its work. She was a very generous supporter of its funds and in addition to other large contributions was the donor of the first wireless installation. When the Hospital moved to its new home she came forward again and gave a new installation for the new Hospital. We owe her very much for all her kindness. The Rev. A. Simmons had been Chaplain to the Hospital for thirty-seven years and had endeared himself to the patients by his kind visits and cheery presence. Mrs. Reynolds, though her service as Lady Visitor was not quite so long, was most helpful, and by her kindness and tact won the gratitude alike of Patients and Staff. At the end of the year we also lost by death Col. Morrell. Though his association with the Hospital was of short duration, we know that he took a great interest in its work, and by his death the name of Morrell passes from our official list.

During the year under review the work at the Hospital has continued to run smoothly under our capable Matron, Miss Laws, and her able Nursing and Domestic Staff, who have all worked devotedly to maintain a high standard of efficiency. The Committee tender their hearty thanks to all those concerned.

The Committee again wish to thank Miss Naish and her Collectors under the Contributory Scheme. Through their untiring work, a considerable sum of money is allocated to this Hospital each year, and the Matron entertained the Collectors to tea at the Hospital, when Mr. Mason attended and spoke to the Collectors. Matron hopes to entertain them again during 1939.

The Committee have pleasure in reporting an increase in the Annual Subscriptions this year, and wish to take this opportunity of thanking all those who support the Hospital, whether in money or kind.

The annual tea given at Bridge House by Mrs. Kirby and Miss Congreve is very much appreciated by members of the Linen League, and an especial vote of thanks is due to Miss Congreve and the members of the League who have worked so loyally to provide the Hospital with all its needs in this direction.

The Committee wish to express their thanks to Mr. Payne for continuing to regulate the clocks at the Hospital, and to the gardener, Mr. Peedle, for keeping the grounds in such good order.

The members of the Berks V.A.D. 64 have again worked well with the Ambulance, and have given much assistance at the Orthopædic Clinic. The Committee wish to express their thanks to these ladies, who also, under

their Commandant, Miss Rogerson, organise the Pound Day Collection and assist so willingly at the stall in the market and at the Hospital. The work done by Miss Rogerson and Mrs. Venables on Orthopædic Clinic days at the Hospital is much appreciated.

The Committee tender their most hearty thanks, and those of the Subscribers, to Messrs. McMullan, Walter, Warburton and Harris, who have been indefatigable in their care for the patients; to the Hon. Consulting Physician, Mr. F. G. Hobson; to the Hon. Consulting Surgeons, Mr. Baxter and Mr. Aitken Walker; the Hon. Dental Surgeon, Mr. Walmsley; the Radiographer, Miss Dell; the Lady Visitors; the Hon. Auditor; as well as to the Clergy and Ministers of the district, for their help and support.

Annual Subscriptions fall due on the 1st January, and will gladly be received by the Hon. Treasurer, Mr. P. C. A. Slade, 7, St. Martin's Street, Wallingford; or can be paid direct to the Hon. Secretary, at Lloyds Bank Limited, Wallingford.

During the year the Hospital received an unexpected windfall of £50 from Lloyds Bank Limited, who were appointed Executor and Trustee of the estate of the late Mr. James Henry Stephens. Under his Will he left a sum to be divided between charitable and benevolent institutions in England as the Bank might select, and the Bank felt that voluntary Hospitals should receive special consideration. Among the Hospitals to benefit was the Wallingford and District Hospital.
